

**Visit to the Montreal
Wastewater Treatment Plant**

When: Wednesday April 28, 2010

Time: 1:00 PM

Place: 12001, Maurice Duplessis, Montréal (Québec) H1C 1V3

The mission of the Wastewater Treatment Plant is to intercept and to purify the waste waters of the City of Montreal to contribute to the improvement of waterways so as to preserve resources and to valorize residues.

The Tour and Presentation will be in English
